YOU

CAN

HELP

Central Texas Veterinary Specialty and Emergency Hospital is proud to announce "Make-it-Pawsible", a charitable fund that offers grants to qualified pet owners who need financial assistance to provide life-saving care for their pets.

All too often, even the best pet owners can find themselves financially unprepared to provide the care needed to save their pet. They are faced with heart wrenching decisions when the necessary treatments are just out of reach.

Inspired by clients who want to help other pet owners afford necessary pet care, CTVSEH has established a charitable fund with the Veterinary Care Foundation.

Make-it-Pawsible is a 501(c)(3) charitable foundation and is unique in that 100% of every dollar donated goes directly to the fund. The foundation never uses charitable contributions for administration, salaries or fundraising.

Each candidate must meet the necessary criteria and complete the application process to be considered for this grant.

For those of you who are in a position to help, you can donate by clicking on the Make-it-Pawsible link on the homepage of our website, ctvseh.com, or speak to a client care representative.

Thank you for your generosity and should you have any questions, please contact Camron at camron.barta@ctvseh.com
